KCSE <i>HolyGhost Schools</i>	01/2017 – 04/2021 Makueni

PROFESSIONAL EXPERIENCE

ICT Intern Officer <i>NG-CDF Board</i>	08/2025 – Present Nairobi
- Collected, cleaned, and organized operational and administrative data related to NG-CDF projects, bursaries, and fund disbursement records for analysis and reporting. - Generated periodic reports and summaries from raw data, including project status, expenditure tracking, and beneficiary records. - Supported monitoring and evaluation activities by preparing data sets and basic analytical reports for ongoing and completed NG-CDF projects. - Designed and maintained simple dashboards and charts using Excel and Power BI to visualize fund allocation, utilization, and project performance. - Assisted in digitization of records by converting manual files into structured electronic data formats for easier analysis and retrieval. - Provided technical support in data entry systems and ensured proper data validation procedures were followed by staff.	

ICT Support Attachee (Industrial Attachment)

Ministry of Agriculture and Livestock

01/2023 – 09/2024

Nairobi

- Assisted in the collection, cleaning, and organization of agricultural and livestock data from departmental records, field offices, and reporting systems.
- Analyzed datasets related to crop production, livestock records, and extension services to support internal reporting and planning.
- Supported data entry, validation, and verification processes to ensure accuracy and completeness of agricultural data.
- Supported monitoring and evaluation activities by organizing project data and generating basic analytical reports.
- Collaborated with technical and administrative teams to resolve data inconsistencies and improve data quality.
- Ensured adherence to data security, confidentiality, and government ICT policies.
